## TEEN DETECTIVES ON GHOST SHIP!

**S**cooby-Doo, Shaggy and the rest of the gang get a free cruise to Tahiti and find that several of their fellow passengers are ghosts! Starting as a pleasure trip to the South Pacific, the cruise turns into a frightening nightmare ... ghost pirates take over the ship ... and our friends end up overboard! "Wish you were here," reads Scooby's postcard to his fans, "and I was home in bed." The full horrific and hilarious story is in Scooby-Doo #3, now on sale. "Don't miss the companion story," adds Shaggy. "It's a w-w-western that you'll n-n-never forget."

### JETSON TRAPPED IN TIME WARP

While testing his new trans-dimensional television set, George Jetson was lured inside the body of Sam Crankcase, the 1940s private eye and, at last report, was still there. "Let me out of here," he was heard to scream, apparently to no avail. The action-packed details can be found in Jetsons #4, now on sale. In that same issue, George mistakenly swallows smart pills that turn him into a raving genius ... and we do mean raving. If you're smart, you'll run to your favorite newsstand and get your copy today.

### TODAY'S WEATHER

DO YOU

### FLINTSTONES HIT ROCK VEGAS!

It's six to seven that three of four will love four of five of every panel in "Viva Rock Vegas," the Flintstones' latest adventure in Flintstones #4, now on sale. That headline story is only one of three in that issue! Besides the Flintstones' and Rubbles' invasion of the magic city in the Bedrock desert, Fred takes on City Hall ... again ... as his Flintmobile is towed away and Wilma and Fred spend an extraordinary night in the scariest mansion of prehistoric days.

Sneak  
Previews!

Next month is filled with incredible Hanna-Barbera adventures. Fred Flintstone invents paper ... that's right, you heard it here first ... and becomes Bedrock's biggest donutaholic! All in Flintstones #5 ... Scooby, Shaggy and the rest of the gang face an invasion of flying saucers, in Scooby Doo #4 ... George Jetson is fired (What, again?) like never before and becomes a planet-to-planet salesperson. That's just a piece of Jetsons #5. The Wacky Races come to town, for the first time in twenty years and go wilder than ever in H-B Presents #2. Our guess is that you'll want every one of these.

### HANNA-BARBERA® MUSIC QUIZ

Most of us think we know the lyrics to the famous theme songs of the Hanna-Barbera characters. See how many lyric lines you can link to the characters whose theme songs they're part of:

1. "the biggest clown in town ... "
2. "Let's ride with the family ... "
3. "the indisputable leader of the gang ... "
4. "lives better than a millionaire ... "

- ANSWERS: 1. (c) Huck Hound; 2. (d) Flintstones; 3. (b) Top Cat; 4. (a) Yogi Bear

### YOGI FINDS THE HONEY JACKPOT

The world's most famous smarter-than-average bear finds the biggest and sweetest lot of honey in the world --- and in the wildest place. It's Yogi at his best and this is just one of three hilarious stories in H-B All Stars #2, on sale right now. Also featured are The Flintstones in a maddening camp trip with the Rubbles and Quick Draw McDraw hitting a dude ranch! A dude ranch? Why would a big western hero hit a dude ranch? Well, the answer will send you reeling!
